

YOUR CHOICE.

**WITHOUT PROTECTION,
YOU INHALE A SPOONFUL
OF HARMFUL IRRITANTS
EVERY DAY.**

THE *ICON*™ FRESH AIR DELIVERY SYSTEM

YOUR BEST PROTECTION AGAINST HARMFUL INDOOR AIR POLLUTION

- The *ICON* brings hospital operating room quality air into the comfort of your home.
- The *ICON* pressurizes your environment to permanently eliminate harmful irritants.
- The *ICON* removes pollen, bacteria, mold, fungus and viruses.
- The *ICON* is lightweight and easy to install.

NOW for the first time breathing fresh clean air in your home is your choice.

No other system in the world can provide the level of protection the *ICON* gives to:

- Allergy sufferers
- Asthma patients
- COPD/Alpha 1 patients
- Chemotherapy patients
- Organ transplant patients
- Sleep apnea patients

Protect yourself. Protect your family.

The *ICON*. The gold standard in home healthcare for respiratory compromised patients.

NOW, FOR THE FIRST TIME, BREATHING FRESH CLEAN AIR IN YOUR HOME IS YOUR CHOICE.
